Vorwort der Redaktion

Im vergangenen Sommer erhielt die Redaktion des CLUniers ein Mail von Cartellbruder Mag. Michael Mittelstaedt v/o Souffleur, Rg, FIP, SO, EKG aus Linz. Er bot sich an, aus Anlass der bevorstehenden 100. Jubiläumsausgabe des CLUniers ein Register über eben diese 100 Ausgaben zu erstellen. Quasi als Belegexemplare hat er die von ihm bereits erstellten Register für das Couleur, der Zeitschrift des MKV und den Fidibus, der Mitgliederzeitschrift des TMV, mitgeschickt. Sofort war uns klar, dass das Erstellen eines Registers eine äußerst zeitaufwändige Tätigkeit ist, bei der mit großer Genauigkeit gearbeitet werden muss. Cbr. Souffleur zerstreute unsere Bedenken, dass wir uns dieses umfangreiche Werk finanziell nicht leisten könnten und meinte, dass das Erstellen von Registern quasi sein Hobby wäre und er das gerne unentgeltlich machen würde. Souffleur begann mit der Arbeit und wir hatten vorgesehen, das Register am Begrüßungsabend des 101. Stiftungsfestes zu präsentieren. Leider hat eine schwere Krankheit dieses Ansinnen vorerst vereitelt. Am Osterkommers war es dann aber soweit, dass Cbr. Souffleur voller Stolz sein Werk in einem entsprechend würdigen Rahmen an den Chefredakteur des CLUniers übergeben konnte.

Für eine noch erscheinende Zeitschrift ist es besonders wichtig, dass das Register immer aktuell ist. Deshalb ist es besonders erfreulich, dass sich Cbr. Souffleur auch sofort bereiterklärt hat, nach Erscheinen einer neuen CLUnier - Ausgabe das Register auf den neuesten Stand zu bringen.

Clunia und die Redaktion des CLUniers bedanken sich herzlich bei Cbr. Souffleur für seinen selbstlosen Einsatz und seine großen Mühen.

Geschichte „Der Clunier“

Beim Cumulativconvent am 8. Dezember 1981 in Feldkirch wurde auf Vorschlag von Kbr. Gerold Konzett v/o Plus die Herausgabe einer Verbindungszeitschrift beschlossen.

Nach einem Hin- und Herüberlegen entschloss man sich die Zeitschrift mit Sitz in Innsbruck herauszugeben, da sich dort damals einige Alte Herren der Clunia aufhielten und die dortigen technischen Einrichtungen für das Redaktionsteam besser zugänglich waren. AH Plus übernahm die nicht leichte Aufgabe durch Inseratenwerbung die Finanzierung zu gewährleisten, da es stets die Absicht der Herausgeber war und ist, möglichst ohne finanzielle Belastung für die Verbindungskassa, den Clunier herauszugeben. Erster Chefredakteur wurde Kbr. Wolfgang Türtscher v/o Swing.

Ab Nummer 3 wurde die Zeitschrift in Blocksatz gestaltet. Dadurch gelang es mehr Text auf weniger Seiten unterzubringen, und der Clunier bekam eine gefälligere Form. Nach einigen „Geburtswehen“ begann man ab Nr. 4 mit der Vorarlberg-Berichtersthauung

Bereits 1983 gewann der Clunier den 1. Preis der Franz-Maria-Pfeiffer-Stiftung. Vom Kuratorium wurden Inhalt, Aufmachung, Häufigkeit des Erscheinens, Verbreitung, graphische Gestaltung und Sonderleistungen bewertet. Als Sonderleistungen wurden besonders die farbstudentische Berichterstattung und die Auseinandersetzung mit den Grundsätzen des MKV gewürdigt. 1984 wurde der Clunier erneut mit dem ersten Preis ausgezeichnet. Dieser erste Rang wurde gemeinsam mit drei anderen Verbindungszeitschriften zuerkannt. Über dieses salomonische Urteil war man natürlich sehr erfreut.

Mit 1. April 1984 hat der Initiator und erste Chefredakteur des Clunier Kbr. Wolfgang Türtscher v/o Swing seinen Wohnsitz wieder ins „Ländle“ verlegt, daher hat der Cumulativconvent am 10. Dezember 1983 Kbr. Ernst Dejaco v/o Tschako mit der Geschäftsführung und Kbr. Ulrich Nachbaur v/o Snorre mit der Chefredaktion beauftragt. Zusätzlich stieß Kbr. Bernhard Jochum v/o Sulcus als Redakteur zum Redaktionsteam hinzu. Der Name der Verbindungszeitschrift wurde erweitert auf „Der Clunier – die Zeitschrift der KMV Clunia Feldkirch, Zeitschrift zur Erforschung der farbstudentischen Geschichte Vorarlbergs. Da der Vorarlberger MKV keine eigene Zeitung hat, erreicht er seine Mitglieder über den Clunier, der an alle Vorarlberger MKVer und CVer nach wie vor versandt wird. Und damit das katholische Farbstudententum in Vorarlberg abdeckt.

Infolge des „Aussterbens“ des letzten Redakteurs des Clunier, der seinen ständigen Aufenthalt in der Bürgerstraße 10 in Innsbruck genommen hatte, des weiteren in Anbetracht der Tatsache, dass andernorts Clunier-Redakteure in Scharen auftreten, verlegte er seinen Sitz ab Jänner 1985 in die Speckbacherstraße 20 in Innsbruck. Zu jener Zeit half auch die damalige Freundin und heutige Ehefrau von Tschako Mag. Edith Dejaco (CLF, Cld) beim mühseligen Clunier-Schreiben oft mit. Ab. Nr. 8 wird Umweltschutzpapier verwendet.

Aus arbeitstechnischen Gründen wurde ab Ausgabe 9 (1/1985) auf Lichtsatz umgestellt und das Schriftbild gewechselt. Außerdem kam es studienbedingt in der Redaktion bzw. in der Geschäftsführung des Clunier 1985 erneut zu einer Rochade. Werner Friebe v/o Frodo übernahm ab Nr. 9 von Ernst Dejaco v/o Tschako die Agenden des Geschäftsführers. Im fliegenden Wechsel übernahm Marcus Dejaco v/o Tschüdl am Ende des Sommersemesters

1985 mit Nr. 11 das Amt des Chefredakteurs von Ulrich Nachbaur v/o Snorre. Damit war die Gründergeneration des Clunier zur Gänze abgelöst. Der CC bestellte Wolfgang Türtscher v/o Swing erneut und Kbr. Bernhard Jochum v/o Sulcus (SOB) in die Redaktion.

1985 war der Clunier mittlerweile zur auflagenstärksten Verbindungszeitung Österreichs, wenn nicht sogar der gesamten Verbindungsszene geworden. Von Beginn an wurde versucht ganz Vorarlberg mit ein zu beziehen und auch zu Problemen des Gesamtverbandes Stellung zu nehmen. Daher waren wieder einmal die Kosten für den Clunier drastisch angestiegen, und so wurde besonders den zahlreichen Spendern und Inserenten gedankt, ohne die der Clunier damals wie heute nicht finanziert wäre.

Bei Nr. 12 wird wieder weißes Papier statt Umweltschutzpapier verwendet, um die Fotoqualität, die mehr und mehr zu wünschen übrig ließ, wieder zu heben, was auch in den Griff bekommen wurde, die Qualität der Fotos hat sich ab Nr. 13 merklich verbessert. Ab Nr. 13 jedoch wieder graues Umweltschutzpapier verwendet. In der Nr. 13, der ersten Sondernummer, wurde das „FPÖ-Papier“ abgedruckt, um einen kleinen Beitrag zur damals im MKV laufenden Abgrenzungsdiskussion zu leisten.

Beim CC 1985 wurde eine Aufstockung der Redaktion des Clunier beschlossen. Neben Martin Schatzmann v/o Soc und Peter Nachbaur v/o Kapf durfte mit Georgia Mähr das erste Mädchen in die Redaktion einer Verbindungszeitschrift aufgenommen worden sein.

Mit Nr. 14 übernahm ein neues Team die Redaktion, Martin Schatzmann das Amt des Chefredakteurs, das Amt des Geschäftsführers sich in Finanzen (Georgia Mähr) und Schriftverkehr (Peter Nachbaur). Neu zum Team hinzu gestoßen ist beim CC 1986 Wolfgang Matt. Da der Vereinsservice der Sparkasse und die Blocksatzkosten das Budget des 77-6;Clunier sehr belastete, wurde am CC im Frühjahr 1986 der Ankauf einer EDV-Anlage (Atari 1040) beschlossen und diese auch angeschafft. Mit der Ausgabe Nr. 15 bezeichnete sich der Clunier als „Zeitschrift für den Vorarlberger MKV“.

Am Pennälertag 1986 in Villach wurde der Clunier von der Franz-Maria-Pfeiffer-Stiftung erneut mit dem 2. Platz ausgezeichnet.

Da die meisten Studenten der Clunia 1986 in Wien studierten, und es so personelle Engpässe gab, beschloss man in Innsbruck die Zelte abzubrechen und nach Wien (Scheugasse 3/2, 1100) zu übersiedeln. Dort wurde ab Nr. 16 dann der Clunier hergestellt mit der neuen EDV-Anlage. Neuer Chefredakteur dort wurde Peter Nachbaur v/o Kapf und Klaus Fussenegger v/o Fossy neuer Geschäftsführer und Günter Lins v/o Faust und weitere Mitarbeiter bildeten die Redaktion.

Auch am Pennälertag 1987 wurde der Clunier erneut von der Franz-Maria-Pfeiffer-Stiftung mit einem dritten Platz prämiert. Mit der Ausgabe Nr. 19 war der Clunier zur Gänze computerisiert, da die Etiketten des einstigen Sparkassenservice verbraucht waren, wurden diese von nun an selbst hergestellt.

Die Umstellungsphase in der sich der Clunier Ende 1986 befand, Bbr. Burkhard Fend v/o Pro übernahm mit Nr. 21 das Amt des Chefredakteurs, führte dazu, das Nr. 20 einen Monat verspätet erschien. Der bisherige Chefredakteur Peter Nachbaur gehörte aber weiterhin der Redaktion an. Ein großer Schachzug von Bbr. Pro war die Aufnahme von Bbr. Christian Buchar v/o Tristan in die Redaktion, der viele Artikel beisteuerte.

Nr. 23 enthielt das erste Farbdeckblatt. Außerdem wurde für die Nr. 23-25 wieder Hochglanzpapier verwendet. Da der Chefredakteur Burkhard Fend erkrankte, haben für die Nr. 24 Uli Nachbaur, und bei Nr. 25 und 26 Joachim Gantner die Vertretung für ihn übernommen.

In Nr. 27 und 28 enthielt der Clunier eine Burgenland-Beilage des BMV, die zur Information und als Sprachrohr für die Mitglieder des BMV genutzt wurde.

Mit Nr. 29 übernimmt am 15.11.1989 Bbr. Thomas Häusle v/o Domus die Chefredaktion, und verspricht ein pünktlicheres Erscheinen. Geschäftsführer in Innsbruck Alexander Muxel und Wolfgang Matt. Burkhard Fend blieb der Redaktion treu und stellte seine Dienste weiter zur Verfügung. Nr. 31 und 32 wurde aus Termingründen in Vorarlberg produziert, wo besonders die Bundesbrüder Robert Kert, Stefan Tiefenthaler, Alexander Muxel, Wolfgang Matt und Ulrich Nachbaur haben es in kurzer Zeit zu Wege den Clunier zu produzieren. Ab Nr. 31 wird eine größere Schrift gewählt.

Mit Nr. 33 hat Robert Kert v/o Tacitus das Amt des Chefredakteurs und Eva-Maria Meld das Amt der Geschäftsführerin übernommen. Der Redaktion gehörten weiterhin Christian Buchar v/o Tristan und Stefan Tiefenthaler v/o Columbus an, sowie Alexander List v/o Einstein. Die Redaktion nahm sich vor auch Themen, die nicht mit dem Couleurstudententum zusammenhängen, aber zu den vier Prinzipien passen zu behandeln. Ab Nr. 38 wurde jeweils ein Schwerpunktthema dann auch behandelt. Dies wurde durchgehend bis zur Nr. 50 praktiziert. Aus Kostengründen war dann nur noch in Nr. 52 ein Themenschwerpunkt möglich im Clunier zu behandeln für längere Zeit.

Ab Nr. 37 war es endlich soweit, man hatte neue Hard- und Software (Windows, Pagemaker) durch Bbr. Alexander Waller günstig besorgen können, und konnte so den Clunier im Layout wesentlich verbessern. Von nun an wurde der Clunier auf Diskette der Druckerei übermittelt. Mit Nr. 38 konnte der Clunier sein 10-jähriges Jubiläum begehen.

Mit dem CC am 4. April 1993 haben Eva-Maria Melk und Stefan Tiefenthaler ihre Arbeit als Geschäftsführer des Clunier beendet. Zum Nachfolger der beiden wurde Elmar Huber, der Student in Innsbruck war, gewählt.

Aufgrund der schlechten finanziellen Lage des Clunier war die Redaktion gezwungen, die Berichterstattung in Nr. 45 auf die dringendsten Themen zu reduzieren. Die Nummer 46 erschien jedoch wieder in gewohntem Umfang.

Am CC am 8. April 1995 erfolgte wieder eine Personalrochade. An der Seite von Chefredakteur Robert Kert arbeitete ab Ausgabe 51 Emanuel Lampert als zweiter Chefredakteur mit, um ihn so in seine Arbeit als Chefredakteur langsam einzuführen. Die Geschäftsführung wurde von Thomas Buschta und Michael Rusch anstelle von Elmar Huber übernommen.

Nr. 53 erschien im Dezember 1995 in einem Umfang von „nur“ 16 Seiten, da die finanziellen Ressourcen erschöpft waren, es wurde an die Spendenfreudigkeit der Leser besonders appelliert.

Am CC vom 30. März 1996 wurde Bbr. Emanuel Lampert zum neuen Chefredakteur des Clunier ernannt, und Robert Kert v/o Tacitus für seine Verdienste als Chefredakteur zum

Ehrenburschen der Clunia ernannt. Die Geschäftsführung bestand weiterhin aus Thomas Buschta v/o Buschtus und Michael Rusch v/o Smily.

In Nr. 56 wurde nach längerer Zeit wieder ein Thema (Flüchtlings- und Asylpolitik) behandelt.

Ab Nr. 57 wurde nach fast 15jährigem Bestehen dem Clunier ein neues Gesicht gegeben. Im Zuge der Reform erhielt er ein neues Seitenlayout und ein leicht verändertes Schriftbild. Außerdem wurde auch der Zeitungsname „Der Clunier“ neu gestaltet.

Am Cc vom 15. März 1997 wurde Karin Burtscher in das Amt der Geschäftsführerin gewählt, dass sie von Thomas Buschtus und Michael Rusch übernahm. Ab Nr. 60 unterstützte sie Stefan Konzett v/o Pluschi zusätzlich in diesem Amt.

Nach vier Jahren als Chefredakteur übergab Emanuel Lampert sein Amt an Martin Häusle, der ab Nr. 63 neuer Chefredakteur wurde. Mit Nora Kerschbaumer v/o Cherry und Martin Rusch v/o Smily, die alle in Innsbruck studierten, war die Redaktion wieder westwärts gerückt. Aber auch in Wien stand mit Emanuel Lampert v/o Unicus, Karin Dirschmied v/o Piroschka und Christian Buchar v/o Tristan weiterhin ein Team zur Verfügung

In den drei Nummern des Jahres 1998 (62-64) erschien jeweils eine vierseitige Landesverbandszeitschrift als Beilage im Blattinnern.

Nach dem glanzvollen 90. Stiftungsfest trat eine kleine Flaute ein, was auch beim Erscheinen des Cluniers spürbar wurde. Die Nummern 65 und 66 erschienen gar nicht, ebenso die Nummern 68 und 71. mit Nr. 72 übernahm Nora Kerschbaumer v/o Cherry, die bereits in Nr. 69 das Amt der Geschäftsführung übernommen hatte, das Amt des Chefredakteurs von Martin Häusle. Sie führte wieder ein, über ein spezielles Thema in jeder Ausgabe zu berichten, was aber nur in Nr. 72 verwirklicht wurde. Neue Geschäftsführerin wurde Karin Burtscher.

Erst als Bbr. Emanuellampert mit Nr. 75 2002 das Amt des Chefredakteurs erneut übernahm, erschien der Clunier wieder in gewohntem Umfang und regelmäßigen Abständen, auch beschäftigte sich der Clunier wieder mit gesellschaftlich relevanten Themen, wie in früheren Zeiten. Der Redaktionssitz wanderte wieder nach Wien, da sich die Innsbrucker Redaktion durch den Abgang der Bundesgeschwister Karin Burtscher, Martin Häusle und Michael Rusch praktisch aufgelöst hatte. Unicus führte auch ein neues Layout ein, das ein professionelles Desktoppublishingprogramm ermöglichte, außerdem zierte ab nun jede Ausgabe ein Farbtitelblatt. Der Druck auf hochwertigen Farbdruckmaschinen im Offsetverfahren war der Garant für ein perfektes Erscheinungsbild.

Nachdem Unicus mit Nr. 85 seine Tätigkeit als Chefredakteur beendet hatte, folgten ihm die Bundesgeschwister Marina Benedetter v/o Kate als Chefredakteurin, Bettina Stemmer v/o Zoey und Martin Häusle v/o Hippo, der weiter als Geschäftsführer fungierte, als Redakteure, die alle drei in Innsbruck studierten. Deswegen kehrte auch die Redaktion an die „Geburtsstätte“ des Clunier zurück. Ein verändertes Layout prägte fortan den Clunier.

Mit Nr. 88 hatte sich nur wieder einiges am Erscheinungsbild des Clunier getan, sondern der CC hatte zu Ostern ein neues Redaktionsteam unter der Leitung des neuen Chefredakteurs Wolfgang Jenny v/o Pop gewählt. Martin Häusle hat sichtlich weiterhin bereit erklärt die Geschäftsführung zu leiten. Mit Mag. Dr. Rudolf Öller v/o Vitus, Kolumnist der VN, ist ein in Sachen Printmedien erfahrener Bundesbruder neu zum Redaktionsteam gestoßen, der

hauptsächlich für das Layout und die Fotos verantwortlich ist. Alexander Waller v/o Ericsson und Thomas Jenny v/o Goofy arbeiteten als Redakteure mit.

Zum 25-Jahr-Jubiläum des Clunier 2007 fand eine Feierstunde im Feldkircher Rathaus statt. Zu diesem Anlass wurden alle bis dahin erschienenen 84 Ausgaben eingescannt und waren somit jederzeit auf der Homepage der Clunia abrufbar. Mit Jahresbeginn 2007 war auch eine Zusammenarbeit mit dem VCV zustande gekommen, so dass der Clunier fortan auch regelmäßig über das Geschehen im VCV verstärkt berichtete.

Mit Ausgabe 91 verabschiedete sich Martin Häusle v/o Hippo endgültig aus dem Redaktionsteam, dem er fast 10 Jahre in verschiedenen Positionen angehört hatte. Seine Nachfolgerin als Geschäftsführerin wurde Tanja Handle v/o Juno.

Die Festschrift zum 100. Stiftungsfest unter der Redaktion von Bbr. Ulrich Nachbaur, die die Verbindungsgeschichte von den Anfängen bis zur Auflösung 1938 erzählt, erschien als Nummer 96 des Clunier.

Mit Nr. 97 wurde eine neue Druckerei, nämlich die Druckerei Thurnher in Rankweil mit dem Druck des Clunier, der in gleichwertiger Qualität erschien, beauftragt.

Am Pennälertag 2010 erhielt der Clunier nur deshalb keine Auszeichnung der Franz-Maria-Stiftung, weil der „Preis im Verband bleiben muss“, wie aus der Jury verlautete. Den nichts desto Trotz erscheint der Clunier weiterhin in bester Aufmachung und Qualität. 2011 aber erhielt der Clunier den Franz-Maria-Pfeiffer Pressepreis, der ihm gebührt.

Mit Nr. 109 nahm Chefredakteur Cbr. Wolfgang Jenny nach über 6 erfolgreichen Jahren als Chefredakteur seinen Abschied. Ein besonderes anliegen war ihm nicht nur über Verbindungsveranstaltungen zu berichten, sondern religiöse, wissenschaftliche, weltanschauliche und sozialpolitische Themen zu behandeln. Prominente autoren aus dem MKV und dem ÖCv kamen so zu wort. und Cbr. Ein weiteres anliegen war es ihm den Clunier verstärkt als Landesverbandszeitung in den Vordergrund zu rücken, was ihm erfolgreich gelungen ist.

Der Cumulativconvent wählte am 30.3.2012 Dr. Rudolf öller v. Vitus (LBS, KBB, CLF, Rp), der sich bereit erklärt hat, den Clunier weiter zu führen einstimmig zum Chefredakteur. Ksr Tanja Handle v/o Juno führt die Geschäftsführung ebenso weiter wie Mag. Wolfgang Türtscher v/o Swing die Inseratenkeilung. Ehrenchefredakteur Kbr. Wolfgang Jenny ist nun für die Adressenverwaltung und den versand der Cluniers verantwortlich. Neu im Team ist Kbr. Georg Amann v/o Nestor und Ksr. Mag. Silvia Öller, die bisher freie Mitarbeiterin war, wurde fix in das Team aufgenommen. Mit dieser bewährten Mannschaft ist ein garant dafür, dass die gewohnte Qualität des Clunier erhalten bleibt.

Gleich im ersten Leitartikel kündigte der neue Chefredakteur Kbr. Öller v/o Vitus für die nächsten Jahre einen scharfen, mitunter auch kontroversen Clunier an, und dies auch schon bei den Berichten über die Bildungspolitik in die Tat umsetzte.

Nr. 124 war die erste Ausgabe mit durchgehend 28 Farbseiten, was nur durch die Spenden und Inserate ermöglicht wird. Mit einer Auflage von 2.400 Stück ist der Clunier nun die größte Verbindungszeitschrift überhaupt.

Aufgrund von Druckkostenminimierung hat die Clunier-Redaktion in Abstimmung mit dem CC einen Druckereiwechsel vorgenommen. Nr. 137 sollte die letzte Ausgabe sein, die von der altgewohnten Druckerei Thurnher hergestellt wurde. Ab Nr. 138 sollte der Clunier von einer Online-Druckerei hergestellt werden, man kehrte aber bereits nach einer Nummer zur bewährten Druckerei Thurnher in Rankweil zurück.
